## Best outgoing Students and Best Department

Our institution encourages the highly meritorious students with a Best Outgoing Student Award. It goes to one student in the aided stream and another student in the un-aided stream. The best department is evaluated on the basis of the profile prepared by the departments for the current year and is assessed by the Members of the Board of Management. I am happy to announce that the best outgoing student from aided stream is Selvi. C. Angammal III B.A. (Tamil) and from un-aided stream is Selvi L. Prassanna III B.Com (U.A.). The best department from aided stream is the Department of \_\_\_\_\_ and from the un-aided stream is the Department of \_\_\_\_\_. As I conclude this report I extend my thanks to the almighty God for giving me this opportunity for serving this esteemed institution as the Principal. I would like to thank our chief guest for having accepted our invitation and graced the function. Our thanks are also due to his wife who is to distribute the prizes. I place on record my sincere thanks to our President and Secretary for their dedicated and invaluable service rendered to the student community. I express my gratitude to the Heads of the Department and members of faculty who have made all these achievements possible. I also take this opportunity to thank our administrative and support staff for the smooth functioning of all the activities of the college. With much pleasure I acknowledge the role of our dear students who have made this entire journey a pleasurable one.
