Programme Outcomes

A.P.C. MAHALAXMI COLLEGE FOR WOMEN
Thoothukudi- 628 002, Tamil Nadu.

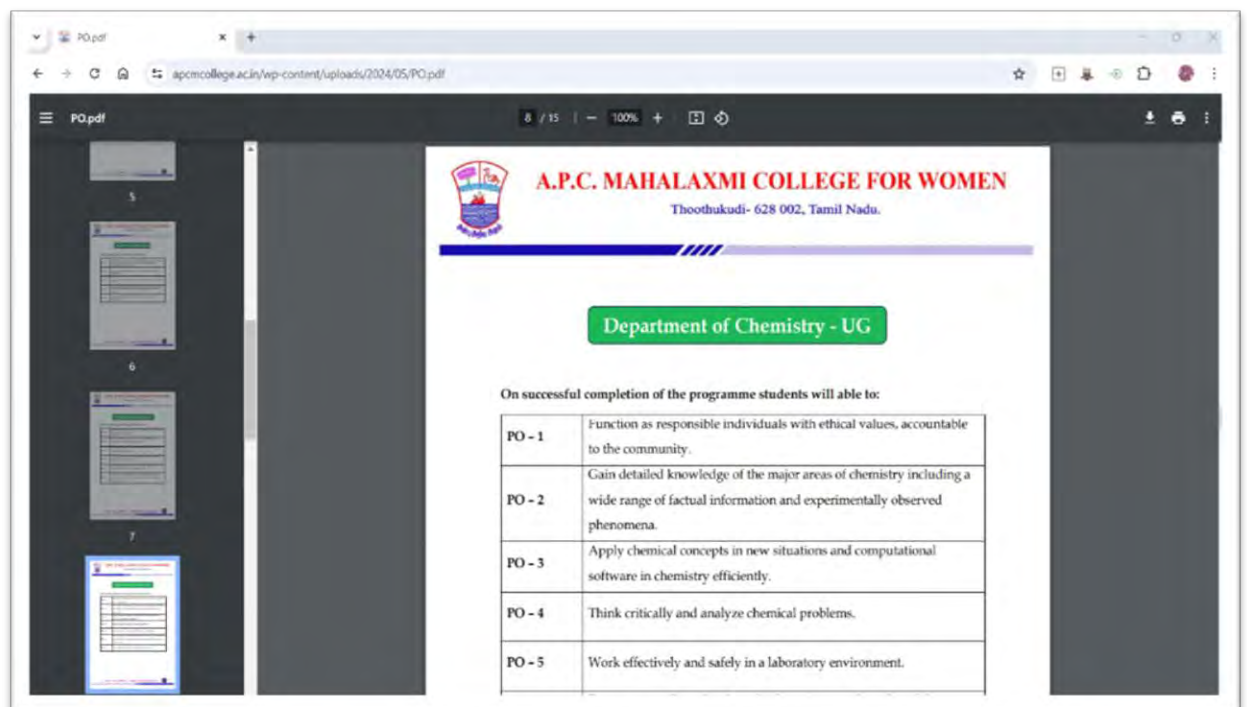

PROGRAMME OUTCOME (PO)

Department of English - UG

At the end of the programme, the students will be able to:

PO - 1	Acquire knowledge of various literary works and students of thought
PO - 2	Explore the avenues of world literature
PO - 3	Utilize the skills acquired through the program
PO - 4	Think critically and apply theoretical approaches to literary texts
PO - 5	View and enjoy literary works through nuanced perspectives
PO - 6	Equip themselves to undertake research projects
PO - 7	Appreciate the unique merits of different literary genres

PO displayed in the college website

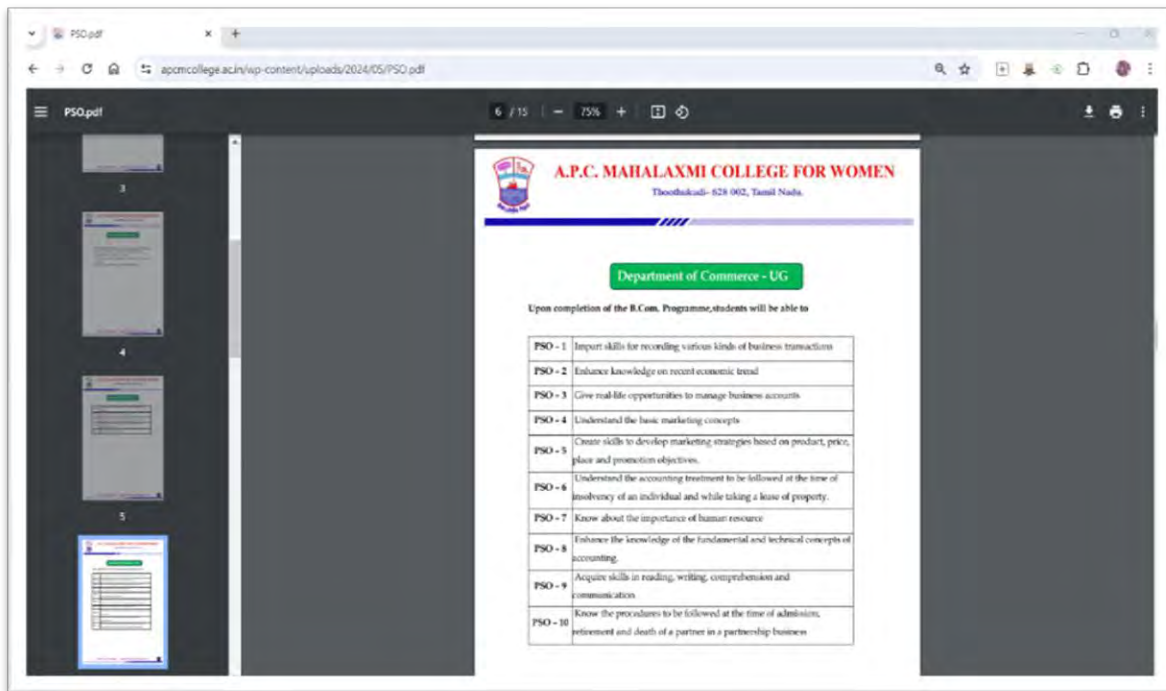

A.P.C. MAHALAXMI COLLEGE FOR WOMEN
Thoothukudi- 628 002, Tamil Nadu.

Department of Chemistry - UG

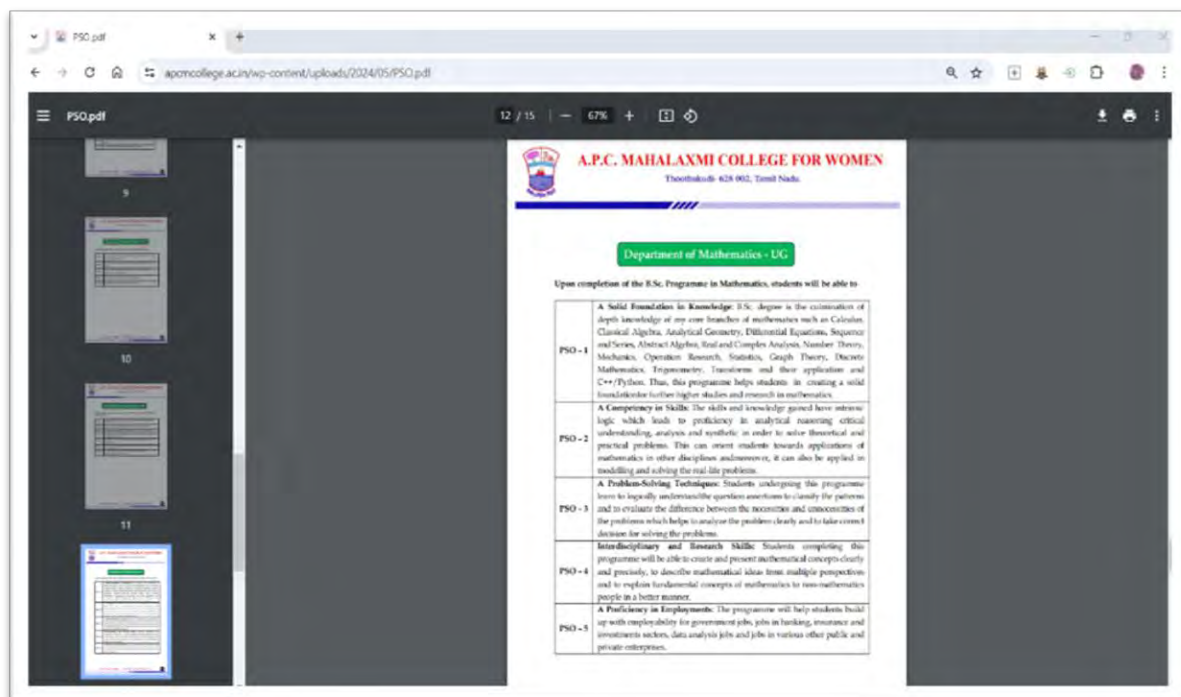

On successful completion of the programme students will be able to:

PO - 1	Function as responsible individuals with ethical values, accountable to the community.
PO - 2	Gain detailed knowledge of the major areas of chemistry including a wide range of factual information and experimentally observed phenomena.
PO - 3	Apply chemical concepts in new situations and computational software in chemistry efficiently.
PO - 4	Think critically and analyze chemical problems.
PO - 5	Work effectively and safely in a laboratory environment.

STUDENT INDUCTION PROGRAMME

28/07/2022 - 04/08/2022

Report

Under the aegis of the Internal Quality Assurance Cell, PG & Research Department of Mathematics organized Virtual Student Induction Programme for the freshers of 2022-2023 for 7 days from 28th July 2022 to 04th August 2022. On the first day of the programme, Department Orientation Programme started at 9.10a.m. Dr. K. Palani, Head, PG & Research Department of Mathematics addressed the students and introduced the department faculty members. A brief note on the college and the department were mentioned and the core values to be followed for the upcoming years, Internal & External Examinations, Add-on courses, Extension Activities, Mentor-Mentee System were instructed. Students have been briefed on the overarching Programme Outcome (PO), Programme Specific Outcome (PSO), and Course Outcome (CO) pertaining to their respective papers.

To bridge the gap between the mathematical concepts studied in the secondary education and higher education, Department bridge course was conducted to the I B.Sc. Mathematics students from 29-07-2022 to 03-08-2022. Students were taught the basic formulae in Mathematics, concept of Complex numbers, Properties and application of Differentiation and Integration. They recollected the subjects and participated with enthusiasm.

Dr. Sivagama Shanmuga Sundari, Assistant Professor of Commerce gave a talk on “Health & Hygiene” on 29th July.

Dr. L. Sangeetha, Head & Assistant Professor of History addressed the students on “Civic & Youth responsibility” on 30th July.

Department of Physics conducted Bridge course in Physics for the freshers. Mrs. P. Sudha, Assistant Professor of Physics handled the concerned class on 30th August 2022.

As a skill development programme Dr. K. Chitra Chellam, Head & Assistant Professor of Commerce oriented the freshers on “Entrepreneur and Innovation” on 1st August.

Department of English conducted Bridge course in English for the freshers. Ms. R. Vadivukarasi, Assistant Professor of English handled the concerned classes.

As a part of the Student Induction Programme, a motivational talk by Alumna was arranged on 2nd August. Ms. V. Selvalakshmi, Assistant Professor, PSN Engineering College, Tirunelveli, Alumna (2017-2019 Batch) was the invited speaker of the day. She motivated the freshers to concentrate on studies as well as to participate in various co-curricular and extra-curricular activities. She also insisted the need of discipline, courage, Self-confidence, hard work, communication skills for achieving success in the career.

Also on 3rd August, one of our Alumna (2003-2005 Batch) Mrs. V. Bhanjali, Central Bank of India, College Branch, Thoothukudi was invited as a speaker. She gave the ideas about how to open the bank account and method of safe handling of money. Freshers were inspired by the motivational talk of the alumna and got some tips to achieve their goals along with the college.

The Student Induction programme was ended with Freshers tests on 4th August 2022.

To end the program, judging of the student's ability of understanding, tests were conducted on English and core subject Mathematics which will help to identify them as Mediocre and high-level learners.

ORIENTATION REPORT - 2022 - 2023

The orientation Programme for the year 2022 - 2023 was conducted on 28/07/2022 for I year students. Our Principal, Dr. P. Bala Shanmuga Devi heartily welcomed the students and Ms D.Mariselvi , Assistant Professor of Physics gave general instructions regarding to the rules and regulations of the college. Dr.N. Rathna, Assistant Professor of Physics gave an orientation on improving the behaviour through useful practices connected to personal, water, food, domestic and public hygiene. Mrs.R.Suya Padhra Haridha, Head of the department took the students to library , which is a major part of the lives of students, serving as a storehouse of information and insisted the essential habit of reading among students. Ms.P.Sankaravadivoo, Assistant Professor of Physics informed the students about the papers they are about to study in this semester and were informed about the staff members who will be handling the subjects. The syllabus was also given to the students. Discussion about the internal and external test question pattern was done and instructions were given about the Internal Assessment exams and also about the External exams. They were also oriented about the Major Practical classes which will be for three hours each. Students were insisted to maintain discipline and follow up the dress code.

Program Outcome (PO) and Course Outcome (CO) details were also instructed to the students regarding to their academic courses.

Orientation Programme - 2021 - 2022**Department of Mathematics****A.P.C.MAHALAXMI COLLEGE FOR WOMEN, THOOTHUKUDI****PG & Research Department of Mathematics
2021-2022****Student Induction Programme****Report**

Under the aegis of the Internal Quality Assurance Cell, PG & Research Department of Mathematics organized Virtual Student Induction Programme for the freshers of 2021-2022 for 5 days from 6th September 2021 to 11th September 2021. On the first day of the programme, from 10a.m. to 11.30a.m., Principal along with the Staff Council members oriented the parents and the students on College activities. Department Orientation Programme started at 11.30a.m. Dr.K.Palani, Head, PG & Research Department of Mathematics addressed the students and introduced the department faculty members. A brief note on the college and the department were mentioned and the core values to be followed for the upcoming years were instructed. Students were informed about the Programme Outcome, Programme Specific Outcome and Course Outcome for the papers.

To bridge the gap between the mathematical concepts studied in the secondary education and higher education, Department bridge course was conducted to the I B.Sc Mathematics students from 07.09.2021 to 09.09.2021. Students were taught the basic formulas in Mathematics, Concept of Complex numbers, Properties and application of Differentiation and integration. They recollected the subject and participated with enthusiasm. The students slowly got accustomed to online teaching learning process.

Department of English also conducted Bridge course in English for the freshers. Dr.J.Vasantha Sena & Mrs.Abinaya Bharathi, Assistant Professor in English handled the concern classes.

On 11.09.2021, the freshers test was given to the students through Google form and it was assessed. The questions were taken from the basic topics and formulas of Mathematics. On basis of the fresher's test, the slow learners, mediocre and advanced learners were found and this assessment will help us to develop their subject knowledge.

As a part of the Student Induction Programme, a motivational talk by Alumna was arranged. Mrs.Nellai Vadivoo, Proprietor, Tirunelveli Lala Sweets, Tirunelveli Branch, Alumna (2005-2008 Batch) was the invited speaker of the day. She motivated the freshers to concentrate on studies as well as to participate in various co-curricular and extra-curricular activities. She also insisted the need of discipline, courage, self-confidence, hard work, communication skills for achieving success in the career. Freshers were inspired by the motivational talk of the alumna and got some tips to achieve their goals along with the college.

INTERNAL QUALITY ASSURANCE CELL
Professional Development Programme for Faculty
23.09.2022 to 30.09.2022
Report

A six-day Professional Development Programme was organised by the Internal Quality Assurance Cell of our College from 23rd September to 30th September 2022 for the teaching faculty in the Seminar Hall at 2.45 p.m. in order to:

- Impart professional ethics to be followed by faculty at work place.
- Create an awareness about the nuances of writing proposals for minor and major projects.
- Train the faculty on using Canva App in PPTs and videos.
- Enable the faculty to learn PO and CO mapping.
- Facilitate the faculty to set questions based on Bloom's Taxonomy &
- Educate the faculty to create e-content with ease using various apps.

Day 1: Professional Ethics for Teachers – 23.09.2022

An orientation on the topic “Professional Ethics for Teachers” was given by Dr. T. Lilly Golda, Coordinator, IQAC. Dr. T. Lilly Golda who spoke about the importance of being organized in filing documents. She also listed out the criterion-wise documents to be maintained by every department from 2019-2020 till date for the purpose of Internal and External Academic Audit.

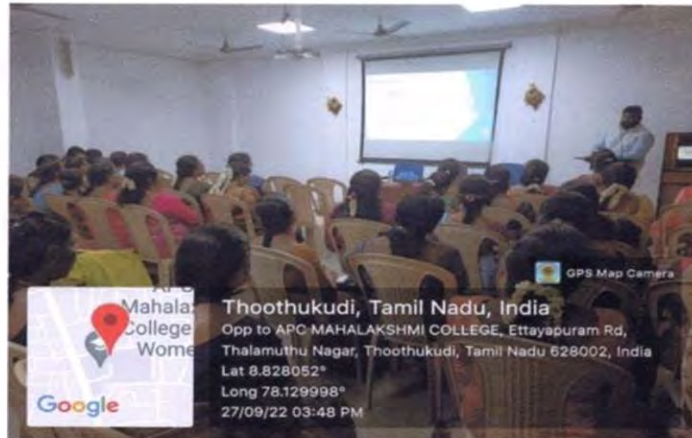

Day 2: Using Canva effectively for PPTs and making Videos – 26.09.2022

On 26th September 2022, Dr. V. Shyamala Susan, Head and Assistant Professor, PG Department of Computer Science gave hands on training to the faculty on Using Canva App for creating PPTS and videos in the Computer Science Lab. She explained how to download Canva App for the purpose of designing certificates, invitations, bookmarks and adding videos and images in PPTS.

**Day 3: Nuances of Project Proposal Writing – 27.09.2022**

Dr. Selvam, Assistant Professor of Geology, V.O. Chidambaram College, Thoothukudi was the resource person for the third day of the programme titled “Nuances of Project Proposal Writing”. The resource person gave detailed information regarding the topics and fields related to which project proposals can be applied. He insisted that the proposal should be novel and quality publications, especially in Scopus is mandatory for our proposals getting sanctioned. Dr. Selvam informed that justification must be given for every expenditure while applying for proposals, He gave adequate details about various funding agencies like TNSCST, DST, DBT, UGC, AICTE, DRDO, Indo-Us Science and Technology Forum, SERB, TARE, SERB-STAR and so on. He further emphasised that only government sanctioned programmes would be considered at the time of recruitment and advised the faculty to select innovative proposals by collaborating with faculty of other disciplines.

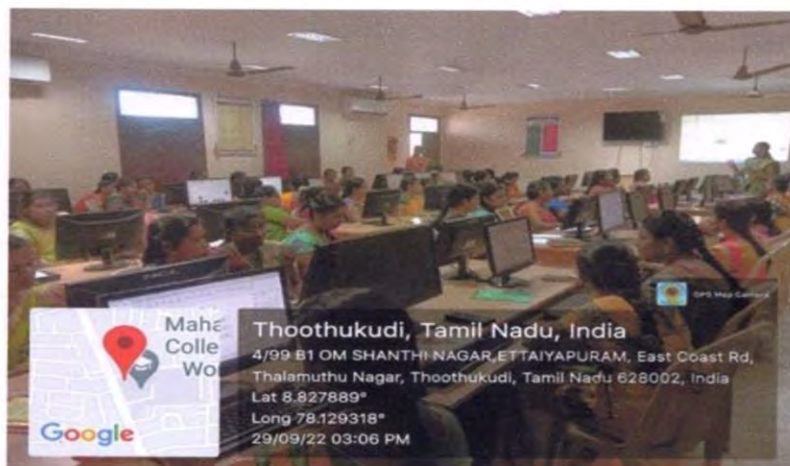

Day 4: PO – CO Mapping & Attainment – 28.09.2022

On 28th September 2022, Dr. A. Muthuraman, Assistant Professor of Zoology, Sadakathullah Appa College, Tirunelveli gave a presentation on the topic “PO & CO Mapping and Attainment” in which he elaborated on the concept, the need and usefulness of PO and CO mapping. He explained the three domains of Bloom’s Taxonomy and six metrics of Cognitive level domain which is followed by educational institutions. The resource person also trained the faculty as to how to calculate attainment level with examples and gave an overview of the five steps to be followed in CO and PO mapping and attainment.

Day 5: E-Content Development – 29.09.2022

Dr. N. Rathna, Assistant Professor of Physics, A.P.C. Mahalaxmi College for Women, Thoothukudi trained the faculty on E-Content Development on 29th September 2022 in the Computer Science Lab. The trainer explained various tools for content creation like video recording and streaming, screen/video/audio recording tools, video editing tools, mind map and drawing tools. Participants were asked to download various apps like Screenrec, Screencast-omatic, ITOP, OBS, DRAW.10 and Mindmaster and the resource person trained the participants to create contents using these Apps.

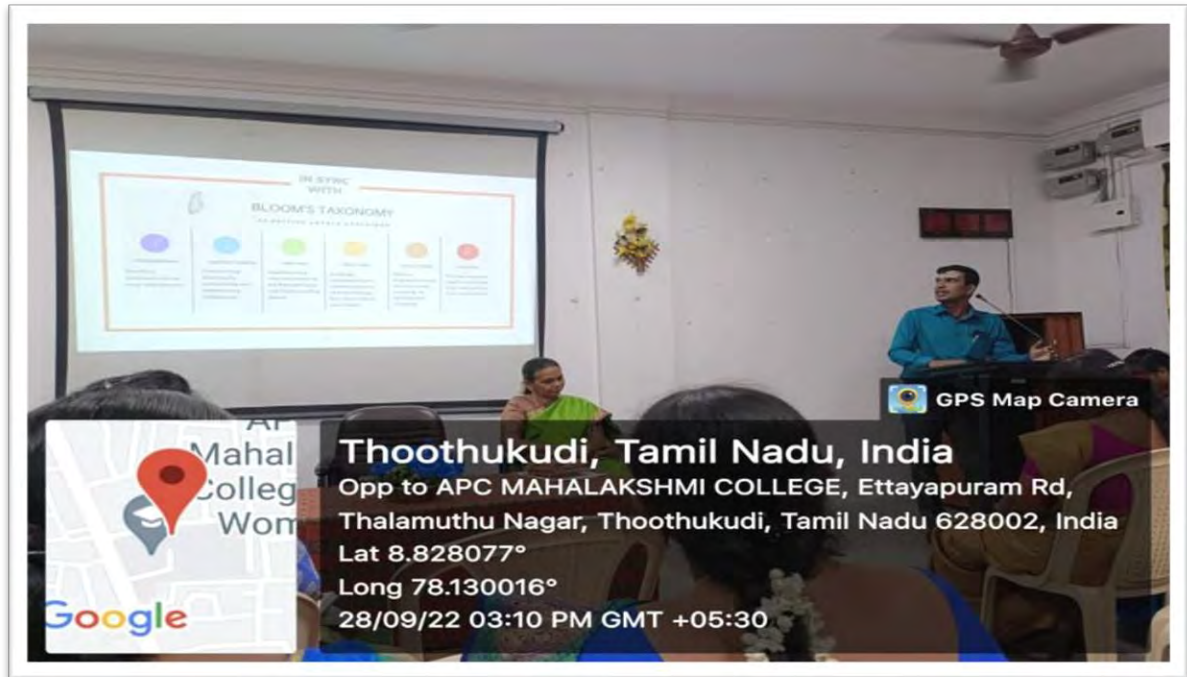

Day 6: Framing Questions Based on Bloom's Taxonomy 30.09.2022

The last day of the Professional Development Programme was handled by Dr. Monica Ramraj, Head and Associate Professor, PG and Research Department of English in the Seminar Hall. The resource person gave an understandable presentation about Bloom's Taxonomy and the six categories of cognitive process, that is, remember, understand, apply, analyse, evaluate and create by quoting examples. She listed out the action verbs and insisted the faculty to use them while framing questions. 96 faculty attended the six-day faculty development programme which came to an end with Dr. T. Lilly Golda, Coordinator, Internal Quality Assurance Cell of our College proposing vote of thanks. The arrangements for the six-day PDP were made by the members of IQAC.
