Webinar on Start Ups & Incubation

12.05.2020

The Institution's Innovation Council and Entrepreneurship Development Cell of A.P.C. Mahalaxmi College for Women organized a Webinar on the topic "Start Ups & Incubation" on 12.05.2020 at 2.00p.m. Mr.M.Siva Baarathi, Field Coordinator, AURCT-IEDP HUB, Anna University Regional Campus, Tirunelveli was the resource person. Mr.M.Sivabaarathi gave a detailed presentation on Start Ups and managing startups. He gave clear explanation about the concept of Start Ups, its equation, difference between start ups and business, start up timeline, prototypes, District Industrial Centre, grants offered by the government, 5 essential elements of success, analysis to be done before start up, anatomy of an entrepreneur, that is, how his senses should work, top 10 start ups mistakes, technological advancements, success mantra for start ups, India's leading start ups, innovation and incubation. The resource person covered almost all the areas related to start ups by means of case studies and examples. He motivated the students to follow the mantra "Inspire, Innovate and Incubate". This E-session was interactive and the resource person also suggested the students to file for patents if they have innovative ideas and to participate in Innovation Voucher Programmes. 76 students belonging to various disciplines attended the webinar and got benefitted.

Initially, the webinar started with the welcome address given by Dr.K.Chitra Chellam, Coordinator of Entrepreneurship Development Cell, felicitation address by our Respected Principal Dr.N.Meenakumari and Dr.V.Maheswari, Coordinator of Institution's Innovation Council proposed vote of thanks.

International Conference on "Applied Mathematics and Intellectual Property Rights" - ICAMIPR - 2020

Minutes

A.P.C.MAHALAXMI COLLEGE FOR WOMEN, THOOTHUKUDI – 628002

**PG & Research Department of Mathematics
2019-2020**

Minutes of the meeting with the Members of the Department on 9th December, 2019

Subject

To discuss and plan to conduct the International Conference to be held on 20 & 21 January 2020 successfully.

Resolution

- It is decided to collect more number of scopus publications for the International Conference
- Discussed about the fund generation for Conference.
- To motivate our PG & M.Phil students and also our research scholars to present research articles in the International Conference.

About the College

"If you educate a boy, you empower a man; if you educate a girl, you empower a family".

This institution has been the bedrock on which stand the inception and the ensuing growth of this reputed institution, A. P. C. Mahalaxmi College for Women, Tuticorin. Fueled by an innate urge to empower the illiterate masses of his under developed vicinity, and thereby, build up a strong nation with patriotic and socially responsible citizens on the Gandhian principles of peace, Non-Violence and communal harmony, the institution was established by its Founder President, a well known philanthropist and freedom fighter, Kulagathy Sri. A. P. C. Veerababu. The Department of Mathematics was established in 1974 under the leadership of Miss. R. Savitri and upgraded as PG Department in the year 1985. M.Phil. Programme was introduced under the unaided stream in 2007. In the year 2018, the Department has become recognized Research Centre and B.Sc. Mathematics (Batch II UAI) has been started. The present principal Dr. N. Meenakumari belongs to our Department. At present 10 members of staff under the leadership of Dr. K. Palani are rendering whole hearted service for the upliftment of students in academic and social levels. So far, 6 candidates were awarded Ph. D. and 11 pursuing research. The Department has been conducting the certificate course "Office Accounting" and "Swift Maths" for first degree students. In addition the Department organizes various academic programmes for students. Also planned to conduct public awareness programmes.

About the conference

The PG & Research Department of Mathematics, A.P.C. Mahalaxmi College for Women is organizing this two day International Conference on 20-21 January, 2020 on the topic "Applied Mathematics and Intellectual Property Rights", very relevant to the present day context. Presently, a large number of Mathematical theories are being used in hitherto unexplored fields. There is greater linkages between different subjects. Mathematical applications in life sciences are example for such interdisciplinary approach. Research communities should be channelized towards applied sciences rather than obsolete theories. In this context, it is relevant and urgent issue. The Conference's another theme is IPR. IPR regime worldwide has undergone substantial change. Researchers are not aware of the IPR rules and plagiarism contentions to avoid unnecessary litigations and to promote originality in research.

Objectives of the Conference

- To discuss importance of application oriented research in Mathematics.
- To create awareness among young researchers about latest developments in various areas of mathematics.
- To induce researchers focus on application oriented research in their area of interest.
- To get a comprehensive knowledge base on IPR rules.
