Report on NET/SET Coaching 2018 - 2019

Every Year Career Oriented Coaching Programmes are conducted for PG & M.Phil students. There are many students who are wishing to choose teaching as their Career Option. To equip them properly, students are trained to appear NET and SET Exams. The programme sessions are handled by our faculty members on Zero Hour. The students are trained to solve problems in different ways and taught to approach similar problems in multiple perspective. Mock Tests are conducted regularly and discussion sessions are held for analysing previous year questions and Mock test papers. The programme motivates the students to appear in these exams without fear and provides an opportunity to pursue their career goal.
