Report on NET/SET Coaching 2021 - 2022

Career Oriented Coaching Programme is offered to PG & M.Phil students. A large number of students want to become teachers when they grow up. Students are prepared to take the NET and SET exams in order to appropriately equip them. Our academic members oversee the Zero Hour program sessions. The students receive instruction on several approaches to problem solving as well as how to see related issues from many angles. Regular mock tests are held, along with analysis sessions for last year's questions and mock test papers. The aim of the programme is to give proper coaching for taking NET/SET exams which many students could not afford to do through private coaching classes.
