## Weed Cleaning Programme

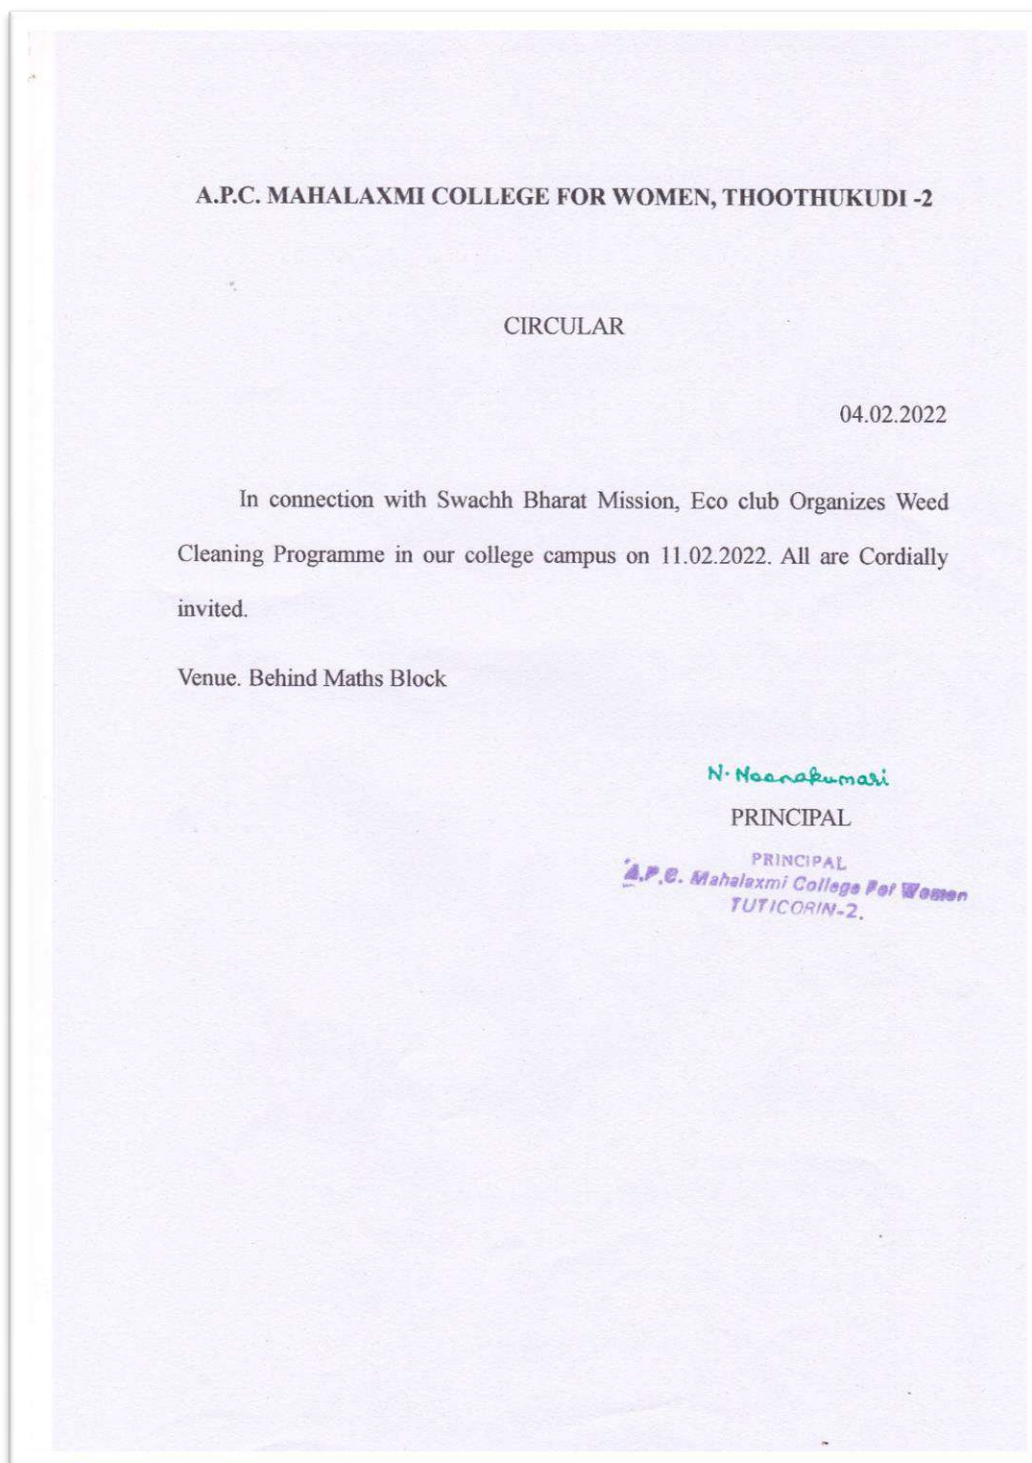

In connection with Swachh Bharat Mission, Eco Club organized weed cleaning programme in our college campus on 11.02.2022. Students actively participated in the removal of weeds. They also learnt about the importance of organic waste management. Forty-six students participated in this programme. Eco Club President M. Maya, III Zoology made arrangements for this programme under the guidance of in charge faculties Dr. V. Sornalakshmi, Assistant Professor of Botany and Miss. M. Vijayalakshmi, Assistant Professor of Zoology.

## Plant Sapling Distribution

State Level Mini Marathon for women with the theme of Peace and Nature was conducted on 09.04.2022. Around 650 plant saplings including medicinal, ornamental and trees were distributed to participants. 100 saplings were contributed by DCW Ltd. Sahupuram. 472 saplings were procured from Department of Horticulture, Tamil Nadu Agricultural University, Killikulam. The remaining plants were propagated by students in herbal garden.

## Tree Plantation Programme

Tree Plantation Programme was held in our college on 27.09.2019 at 10.45 a.m. The students of Youth Red Cross actively participated in the programme. The first tree was planted by Dr. N. Meenakumari, Principal of the college in our college premises. Dr. K. Sathya Bama, Director of the college also planted a tree.

Various types of plants being saplings of Pongamia, Magizham, were planted. The Youth Red Cross volunteers also explained about the trees and the importance of tree plantation. The Coordinators Dr. A. Vijayalakshmi, Assistant Professor of Tamil and Ms. J. Sivaranjini, Assistant Professor of Mathematics explained how to plant them and then they watered the plants.

All were happy and felt proud after the tree plantation event was over, because it really feels great to do positive for the Nature. At the end of the programme there was a photo session with Principal, Director, YRC Coordinators and students.

## Palm Plantation Programme

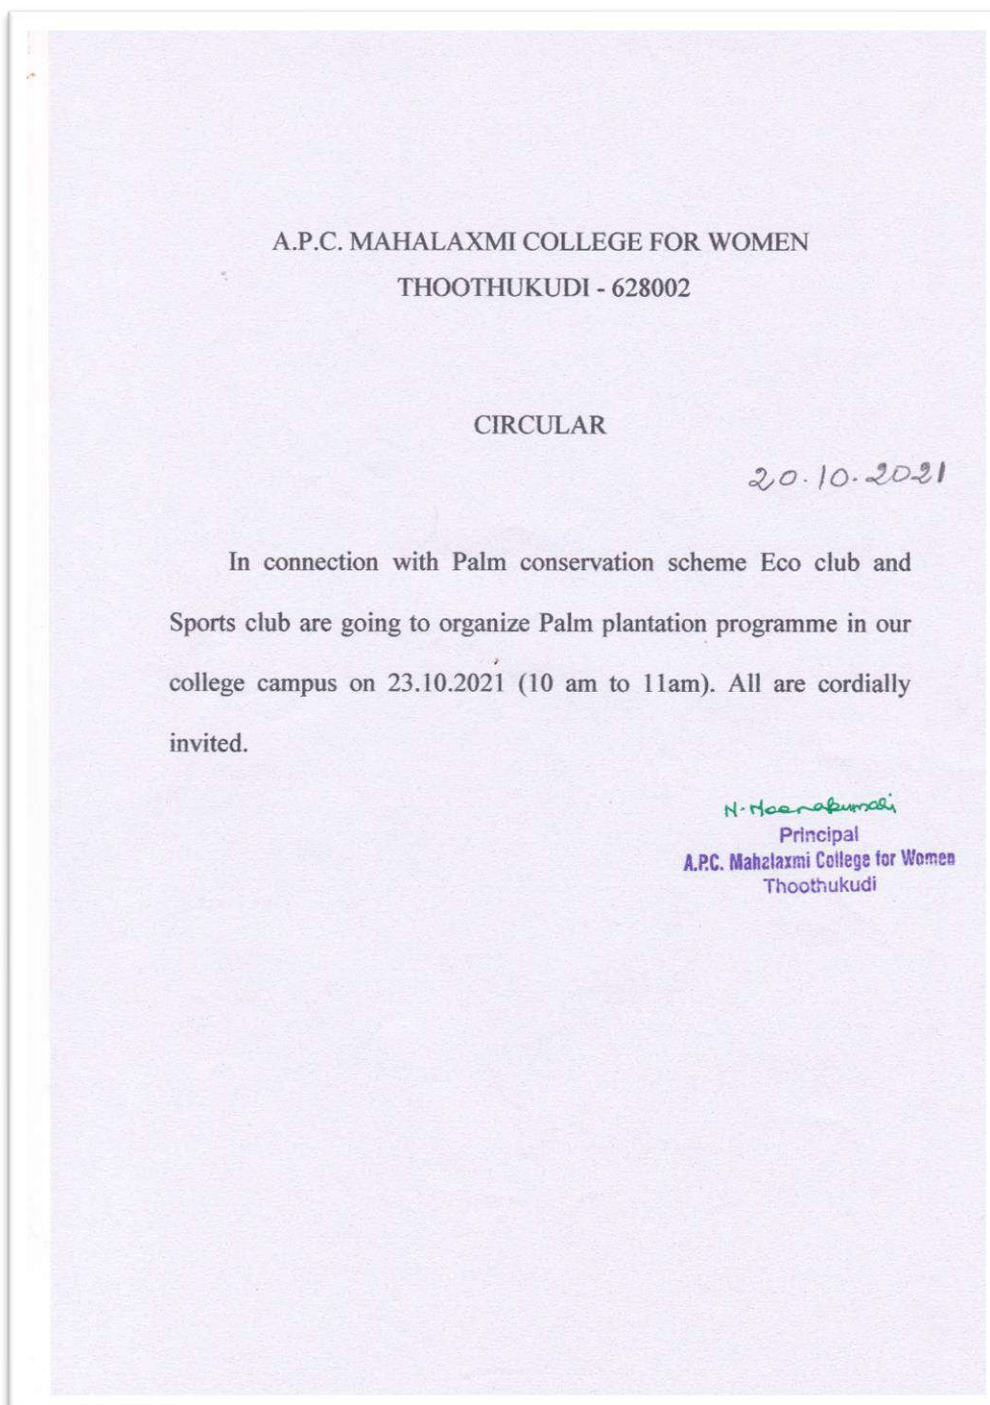

The Eco Club and Sports Club jointly organized Palm Plantation programme in our college campus (Near Vermicomposting Unit) on 23.10.2021. Students enthusiastically participated and planted the palm seeds. Miss. M. Vijayalakshmi, Assistant Professor of Zoology explained the economic and ecological value of palm, which aids biodiversity conservation. Students learnt about the importance of palm and the ways to protect it. Sports Club President K.L. Janani, III English and Eco club President M. Maya, III Zoology made arrangements for this programme under the guidance of in charge faculties. 63 students were participated in this programme.

## Slogan Writing Competition on Rain Water Harvesting and Water Conservation

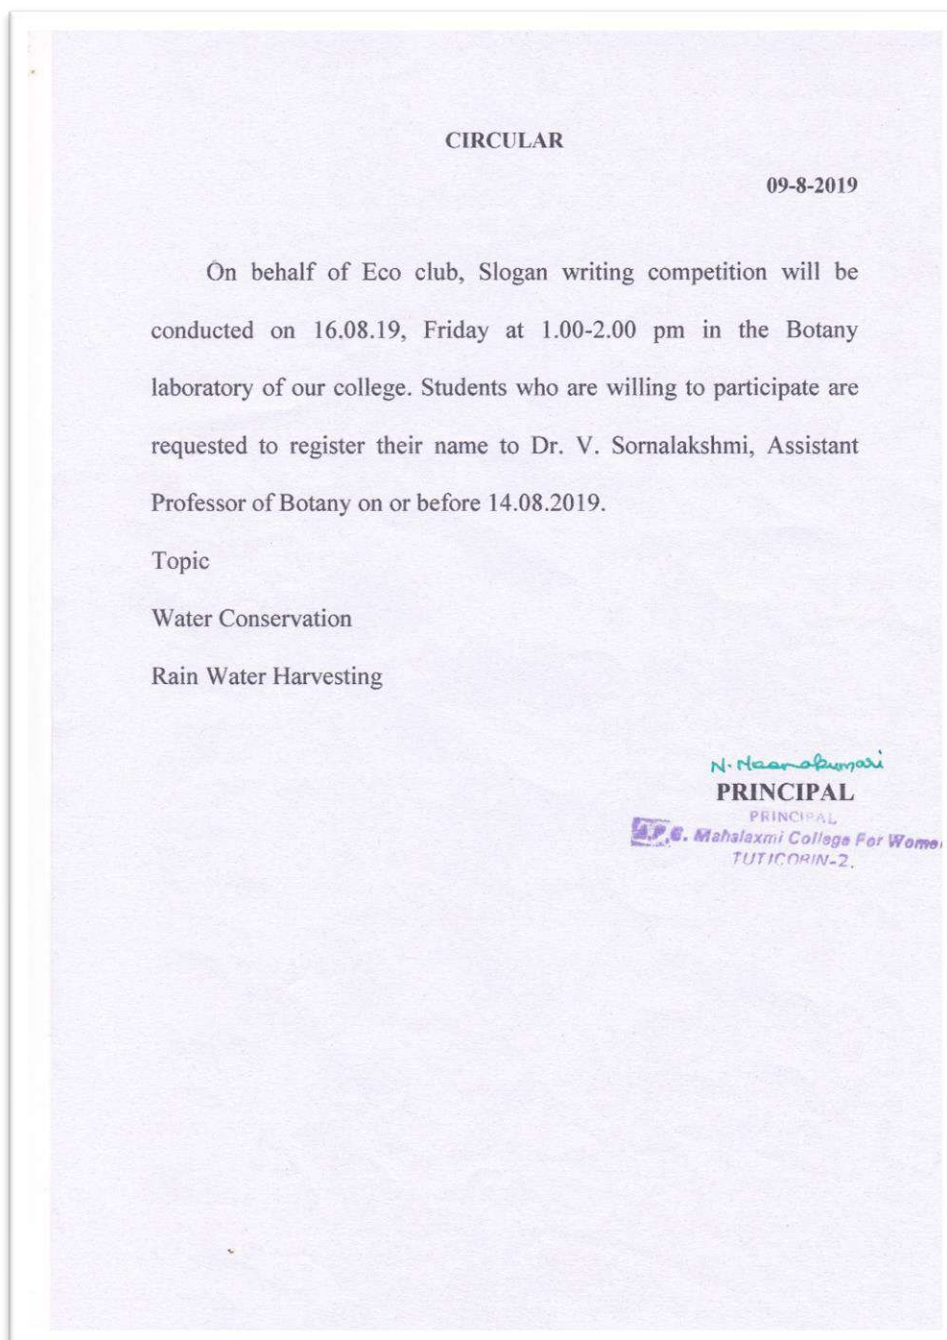

The Slogan Writing Competition on the theme of 'Rain Water Harvesting and Water Conservation' took place on August 16, 2019. Dr. J. VasanthaSena, Assistant Professor of English, and Dr. Jeyanthi kumari, Assistant Professor of Zoology, graciously accepted the responsibility of judging the participants' slogans. The competition saw active participation from 54 students representing various departments. The slogans generated during the competition conveyed powerful messages on the importance of rainwater harvesting and water conservation, contributing to the broader goal of sensitizing the community towards sustainable practices.

## Webinar: Surface Ozone Air Pollution and Its Impacts on the Environment

Department of Physics organized an online webinar on the topic “Surface Ozone Air Pollution and its impacts on the Environment” on 15.07.2020 at 11.00 A.M. for the academic year 2019-2020. The Platform of the meeting was Zoom. Dr. T. Chithambarathanu, Principal, S. T. Hindu College, Nagercoil & Member Syndicate - Manonmaniam Sundaranar University, Tirunelveli acted as the resource person. The objective of this programme was to educate the students about the sources of air pollution, its effect on human health, ecosystems and the environment as well as strategies to mitigate and reduce its harmful effect through policy, technology and behavioural change. The Chief Guest delivered his presidential address. In his talk, Causes and Formation Mechanisms, Health Effects, Environmental Impacts Monitoring and Measurement Techniques and Technological solutions of the ozone air pollution are discussed. Nearly 747 participants were benefitted by this programme. The participants got deeper understanding of the causes effects and complexities of surface ozone pollution and also they identified the areas for further research and exploration to better combat surface ozone pollution.

**Report of the Pledge cum Online Course "Invest in Our Planet" organized in  
 commemoration of World Earth Day on 22nd April 2022**

The P.G. and Research Department of English, A.P.C. Mahalaxmi College for Women, Thoothukudi- 628002, Tamil Nadu has taken steps to showcase commitment towards protecting the environment by observing the World Earth Day on 22nd April 2022.

World Earth Day is celebrated annually on 22nd April to support environmental protection, since its inception in 1970. In commemoration of the 52nd Anniversary of Earth Day, the P.G. and Research Department of English, A.P.C.M.C in association with Institution's Innovation Council of our college created an online pledge taking platform cum online course "Invest in Our Planet", a registered event under Earth Day Network. There were 640 enthusiastic state level participants, 76 national participants and 4 international participants.

The online pledge cum course was counselled by Dr. P. Bala Shanmuga Devi, Associate Professor of English and designed and developed by Ms. K. S. Anushya, Assistant Professor of English. The overwhelming response received was a positive indication of the enthusiasm to keep the earth safe and clean. Dr. N. Meenakumari the Principal and Dr. Monica Ramraj, Head of the department of English expressed their appreciation over the successful conduct and nature of the event.
