Policy document on environment and energy usage

Environment and Sustainable Policy

A.P.C. MAHALAXMI COLLEGE FOR WOMEN

Thoothukudi- 628 002, Tamil Nadu.

Environment and Sustainable policy

The institution has provided the following guidelines to adopt environment friendly habits and ensure that its impact on the environment is minimized:

1. Green Audit, Energy Audit and Environment Audit should be conducted periodically.
2. Awareness and understanding of environmental issues and sustainable development should be created among the stakeholders of the institution.
3. Staffs and students should be encouraged to take part in environmental initiatives.
4. Environmental and sustainable principles should be integrated into the standard operational procedures and best practices shall be promoted at every level.
5. Entry of vehicles should be restricted to prevent carbon footprint.
6. Efforts should be made to organize Tree plantation drive inside and outside the campus.
7. Institution should work inline with Central Government Project Swach Bharat Abiyan .
8. The best habit of RRR (Reduce, Reuse and Recycle) should be encouraged at the student and staff level.
9. Emerging environmental and energy issues should be monitored and resolved.
10. Activities that harm the environment should not be practiced inside the campus.
