### Need-based Survey from Teachers

#### Survey Report

The IQAC undertook a survey among school teachers to find out their needs to face technology-based teaching. The survey report showed that teachers required basic skills like how to fill Google Forms, how to create and manage Google Classrooms and also communication skills. Programmes were arranged exclusively for school teachers. On 8<sup>th</sup> June, 2020 a tutorial on **How to fill Google Forms** for school teachers by Mr. J. Jecinth Pravin B.E., M.B.A. Lecturer, Mechanical Dept. Jayaraj Annapackiyam CSI Polytechnic College, Nazareth, served as a foundation course for school teachers as they learnt how to register in online programmes. On 13<sup>th</sup> June, 2020, a motivational talk on **English to Win** for school teachers by Dr. S. Vennila, Assistant Professor of English Sarah Tucker College, Palayamkottai.

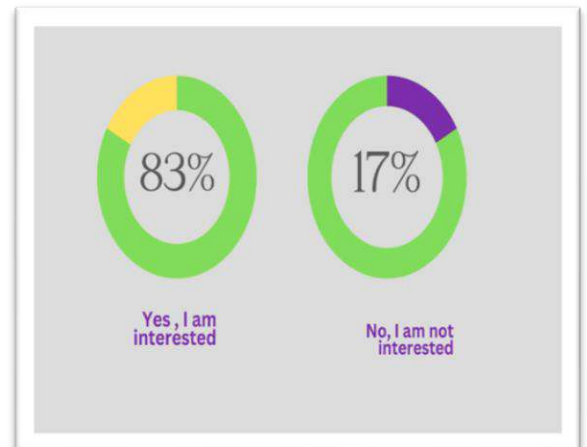

*Basic information collected from teachers*

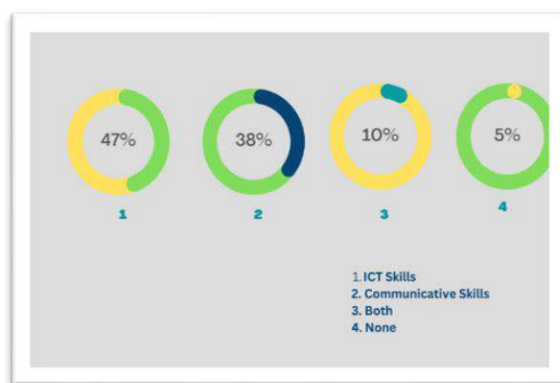

Have you started handling online classes?

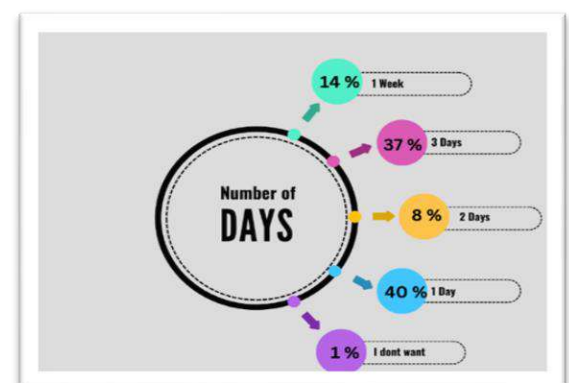

Are you interested in attending an online skill development workshop?

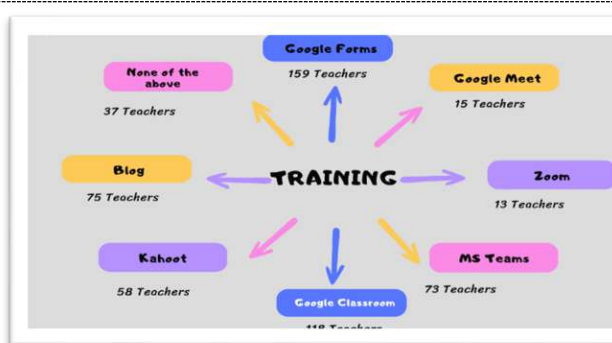

Which skill would you like to improve?

How many days would do you like the workshop to be arranged for?

What applications do you need for training?

Details regarding training requirements collected from teachers

**Report of the Online Workshop for School Teachers**

A two day online programme for School teachers was organized by A.P.C. Mahalaxmi College for Women, Thoothukudi. It was initiated by the Internal Quality Assurance Cell as a move towards using the Covid 19 lockdown period effectively. Block Educational Officer, Thoothukudi District Mr. Jeyabalan made arrangements for around 60 teachers of primary and secondary schools to attend the programme.

On 11<sup>th</sup> June, 2020, Mr. J. Jecinth Pravin, Lecturer, Mechanical Department, Jeyaraj Annapackiam CSI Polytechnic College, Nazareth enlightened the teachers on how to fill google forms and on how to use google forms to teach simple concepts.

On 13<sup>th</sup> June, 2020, Dr. S.Vennila, Assistant Professor of English, Sarah Tucker College, Palayankottai addressed around 300 teachers on the topic "English to Win". School teachers were highly motivated.

Mr. Jeyabalan appreciated the effort of the IQAC of the college for the initiative taken to promote productive activities during the lockdown period. He also suggested that many more such programmes are eagerly awaited by teachers.

The Principal Dr. N. Meenakumari, the Director Dr. K. Sathya Bama, the IQAC Coordinator Dr. T. Lilly Golda and the Programme Coordinator Dr. R. Selvalatha had made all the arrangements along with the other members of IQAC.

**Report – 20.06.2020**

A Series of Workshops to promote the use of technology among school teachers in the name of CONNECT was organized by the Internal Quality Assurance Cell of the College on 18<sup>th</sup>, 19<sup>th</sup>, and 20<sup>th</sup> June 2020 through Zoom and APCM You Tube Channel at 5.30 p.m. These training programmes were conducted to:

- Facilitate School Teachers, especially Government School teachers to learn Google Apps that help to teach online during this COVID19 pandemic period.
- Provide training on installing Microsoft Teams and how to use various Apps in Microsoft Teams.

On 18<sup>th</sup> June, 2020, Miss. Ms.K.S. Anushya, Assistant Professor of English, A.P.C. Mahalaxmi College for Women, Thoothukudi imparted training on “Google Forms and its Applications” by accessing, creating and sharing Google Forms, viewing responses, creating spreadsheets and so on.

The second day of the technical session was handled by Dr.R.Samundeswari, Assistant Professor of Commerce, A.P.C. Mahalaxmi College for Women, Thoothukudi on 19<sup>th</sup> June, 2020. The trainer provided training on how to create Google Classrooms to teach students, post assignments and study materials, links, blogs, conduct quiz and online group discussions.

On 20<sup>th</sup> June, 2020, training on Microsoft Teams and its Applications was given by Mr.Senthil, IT Manager, Rathinam College of Arts and Science, Coimbatore. The resource Person trained the participants on installation of Microsoft Teams, creation of teams, channels, posting assignments, creation of quiz, uploading files, online teaching / meetings,

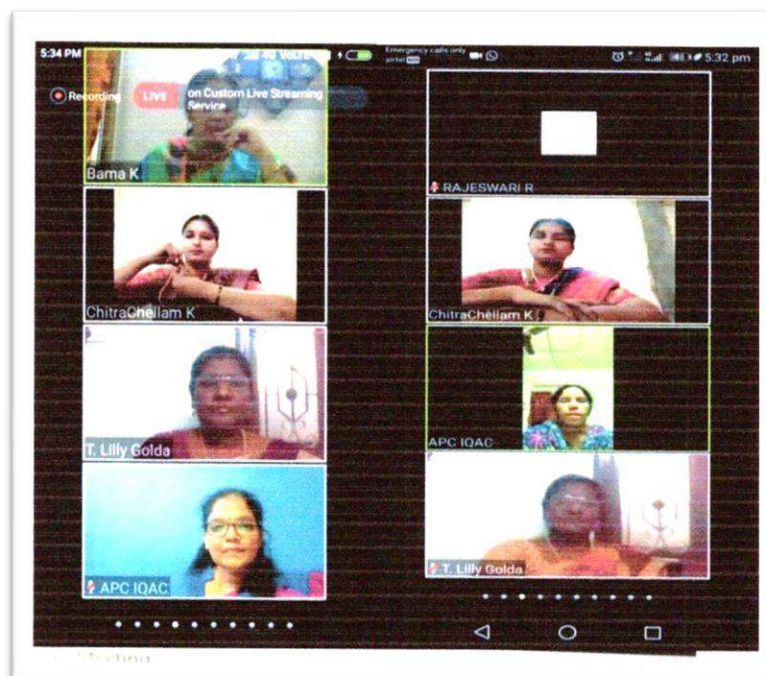

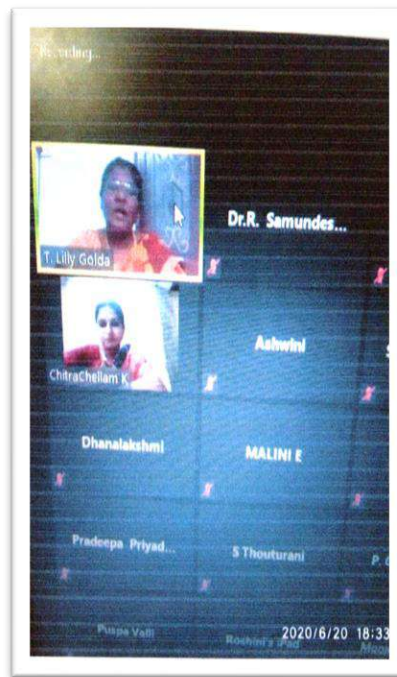

online video calling, recording, screen sharing, storage of files, clarification of doubts through chat box, downloading the attendance and so on.

There was an astounding response and active participation in these Three Days Workshop Series – CONNECT. 183 school teachers participated in the workshop series and made the sessions interactive. This workshop series formed as a basis for connecting professional competency and technological competency as well as for connecting teachers and students with technology as the basis.

The word "CONNECT" is written in large, bold, orange capital letters with a slight shadow effect.A handwritten signature in green ink that reads "N. Haanabumali".

The training program empowered the teachers with exposure to multi-dimensional approach towards teaching-learning process. The need on mastery of skills in curriculum, technology, prior knowledge of students and their possible misconceptions or alternative conceptions were strongly emphasized throughout the programme. Considering the gravity of professional development of Teachers, every care for systematic inclusion of the key parameters for an objective oriented program were taken. The interactive sessions with many articulate resource persons with in depth intellect and yet with all the humility were true reflections of what really does teaching of a good science education mean. The visit by the Principal, Dr. P. Bala Shanmuga Devi were very powerful boosters for the teachers who are real facilitators in nation building. The visits to laboratories of Computer Science, Physics, Zoology, Chemistry and Herbal garden widened the horizon of the participants towards innovation and creativity. The group presentations provided a platform for peer and collaborative learning along-with the exchange of innovative ideas amongst the participants. The

Diverse aspects of science education covered in the programme on the whole are expected to promote professional development of teachers.

The training program successfully concluded on August 24, 2022 with the valedictory function. Dr.H.Kohila Subathra Christy, Programme Coordinator, Head and Assistant Professor of Chemistry welcomed the gathering and Dr. P. Bala Shanmuga Devi, Principal, A.P.C. Mahalaxmi College for Women delivered the presidential address. The Valedictory function, chaired by Mr. K. Balathandayuthapani, CEO, Thoothukudi and Mr.M. Muniasamy, Assistant District Project Coordinator and Mrs. N. Persiyal Gnanamani, Assistant Project Officer were the special invitees. The entire team of A.P.C. Mahalaxmi College for Women involved in the activity have also attended the function. In his concluding remarks, Mr. K. Balathandayuthapani, CEO, Thoothukudi impressed upon the importance of the applications of the concepts and strategies learnt from the programme participants in classroom situations. He further expressed his willingness to extend every kind of support and urged the teachers to have a very free interaction with the resource persons of the training programme for all sorts of relevant issues.

During the Valedictory Session, a book “Basic Science” releasing ceremony was held to grace all the resource persons who contributed the chapters and as a mark of their gratitude for participating in this In-Service Training. Dr. P. Bala Shanmuga Devi, Principal, A.P.C. Mahalaxmi College for Women released the first copy and Mr. K. Balathandayuthapani, CEO, Thoothukudi received the book. Mrs.Puthumai Rajathi, B.T.Assistant, Government Higher Secondary School, Kalugumalai, Mr.Chandramani, B.T.Assistant, Government Girls Higher Secondary School, Thangammalpuram and Mr.Kannan, B.T.Assistant, Government Girls Higher Secondary School, Kovilpatti presented their valuable feedback highlighting the way of planning and organisation of the Co-ordinator and the professional knowledge of resource persons and the

hospitality rendered to them. A Book release ceremony, awarding of Certificates, reflections on the program by every participant, an overall view of the program and vote of thanks by Dr.V.Sornalakshmi, Assistant Professor of Botany were the highlights of the Valedictory function. The participants have gained substantial amount of knowledge in terms of (i) the factors that affect the validation of science syllabus; (ii) importance of the enhancement of inquisitiveness among the students; (iii) responsibility of a teacher as a facilitator to explore all the possibilities to enhance learning rather making a child to cram the final answers; and (iv) attainment of some new skills and information that could be exercised in the effective teaching-learning process. The organisation of this programme has all been possible due to the collective efforts of the PG and Research Department of Chemistry and the entire team of training programme and most importantly with the generous funding by Tamilnadu State Council for Science and Technology.

## Report

**A.P.C. Mahalaxmi College for Women, Thoothukudi****Reaccredited by NAAC with B<sup>+</sup> Grade****Educational Exhibition****30.08.2022****Report**

The APCian Alumnae Association of A.P.C. Mahalaxmi College for Women, Thoothukudi organised an Educational Exhibition on the topic “Arts and Science Gallery” for school students of IX to XII standard on 30<sup>th</sup> August 2022 in the college campus with the aim of promoting creativity and learning skills among college students and for imparting knowledge to school students. The exhibition was inaugurated by Dr. S. Banumathi, Head and Associate Professor, P.G and Research Department of Tamil in the august presence of respected Principal, Dr. P. Bala Shunmuga Devi at 10.00 a.m. The students of 13 departments, arts and science, prepared models related to their disciplines exhibited in halls allotted to each department. 34 halls were allotted to the departments. Each hall revealed the team work of students who by means of their exhibits and presentation inspired and shared their expertise to the school students.

The Department of English showcased different literary figures and genres like Gothic literature exhibit, Harry Potter themed exhibit of fantasy literature and Shakespeare exhibits. Physics department exhibited working models on the topic “Scientific Aspects in Spirituality and Nationalism”. Zoology department had mini aquarium and more than 300 specimens of paramecium, marine sponge, sea anemone, mollusca, octopus, placenta of human, sheep and so on. The department also exhibited the models of spot DNA extraction, portable vacuum cleaner, and hanging bird nest made of hay and coir. Department of Computer Science showcased models of computer topology, projector, ATM, satellite communication, robots and presented animations, virtual reality and hologram by means of audio-video aids. The students of history department exhibited models and posters on the topic “History and Archaeology” and conducted a tableau on the topic “Unsung Heroes and Heroines of Freedom Movement”. The students also filled the hall with the posters of Mahatma Gandhi from his early childhood till his death, and spectacles, chappals, religious book reading stand used by the Mahatma. The department of Tamil exhibited models related to Tamil medicines, games of Tamilians and science in Tamil literature. Students of Chemistry Department conducted exciting experiments using colourful chemicals. Department of Mathematics

exhibited models and conducted games on the topic “Applications of Mathematics”. Students from Departments of Commerce showcased their exhibits on the topic “Trade and Banking” and models of ATM machine, international trade, communication process, career options for commerce graduates, organic farm, and entrepreneurship were exhibited. Posters of top 10 businessmen in the world, educators, economist, industrialists, women entrepreneurs and modern banking were pasted on the walls and paintings, arts and crafts made by the students were also exhibited in the halls. The Department of Physical Education exhibited models and posters related to traditional games of India.

Bookmarks imprinted with the name of the department and relevant quotes and images were distributed to school students as a token of remembrance. The exhibits of each department were unique and were highly appreciated by the school teachers who accompanied the students. 330 students from 14 schools in Thoothukudi district attended the exhibition. Feedback about the exhibition was collected from school teachers. The interaction between the college and school students and also among the teachers was seen to develop networking skills that would guide the school students to select the best educational opportunity. This educational exhibition served as a good learning experience for school students and also a platform for them to choose a right career for their future.
