Tamilnadu State Council for Science and Technology aims to improve the Science Education in schools through conduct of Inservice Training to the Science Teachers. In this regard, PG & Research Department of Chemistry, A.P.C. Mahalaxmi College for Women organized a need-based In-Service Training Programme for Science Teachers belonging to Thoothukudi district in two phases, Phase I (25.07.2022 & 26.07.2022) and Phase II (23.08.2022 & 24.08.2022). The participants list comprising of 50 teachers was sent by the CEO, Thoothukudi who collected the training needs from the teachers in advance. 9 teachers from Thoothukudi taluk, 25 teachers from Kovilpatti taluk and 16 teachers from Thiruchendur taluk, totally 41 female teachers and 9 male teachers were participated. Accordingly, the schedule of the training programme was prepared.

The programme began on July 25, 2022 with the grand inaugural ceremony. Dr.H.Kohila Subathra Christy, Coordinator, Head & Assistant Professor of Chemistry welcomed the gathering. Dr. P. Bala Shanmuga Devi, Principal, A. P. C. Mahalaxmi College for Women presided over the programme. Mrs.T.Tamil Selvi, District Educational Officer, Thoothukudi District and Mrs.Pearcial Gnanamani, Assistant Project Officer, Thoothukudi inaugurated the programme and offered

Suba, Assistant Professor of Maths, Protection of wild animals by Dr.T.Shakthika, Assistant Professor of Zoology, Basic skills in computer by Mrs.A.Sahaya Arthy, Assistant Professor of Computer Science and a laboratory practical session by Dr.D.Shanmuga Priya, Assistant Professor of Chemistry, Dr.S.Sankara Vadivu, Assistant Professor of Chemistry and Dr.C.Stella Packiam, Assistant Professor of Chemistry. This training programme concluded on August 24, 2022. Fifty science teachers belonging to Government Schools of Thoothukudi district participated in this In-Service Training programme.

On July 25, 2022 the Inaugural Session began with introduction of the aims and objectives of the programme by Dr. H.Kohila Subathra Christy, Programme Coordinator, followed by the welcome speech by Dr. P. Bala Shanmuga Devi, Principal, A.P.C. Mahalaxmi College for Women. Mrs. Tamizh Selvi, District Education Officer delivered a keynote speech on importance of understanding science. The training program empowered the teachers with exposure to multi-dimensional approach towards teaching-learning process. The need on mastery of skills in curriculum, technology, prior knowledge of students and their possible misconceptions or alternative conceptions were strongly emphasized throughout the programme. Considering the gravity of professional development of Teachers, every care for systematic inclusion of the key parameters for an objective oriented program were taken. The interactive sessions with many articulate resource persons with in depth intellect and yet with all the humility were true reflections of what really does teaching of a good science education mean. The visit by the Principal, Dr. P. Bala Shanmuga Devi were very powerful boosters for the teachers who are real facilitators in nation building. The visits to laboratories of Computer Science, Physics, Zoology, Chemistry and Herbal garden widened the horizon of the participants towards innovation and creativity. The group presentations provided a platform for peer and collaborative learning along-with the exchange of innovative ideas amongst the participants. The

Diverse aspects of science education covered in the programme on the whole are expected to promote professional development of teachers.

The training program successfully concluded on August 24, 2022 with the valedictory function. Dr.H.Kohila Subathra Christy, Programme Coordinator, Head and Assistant Professor of Chemistry welcomed the gathering and Dr. P. Bala Shanmuga Devi, Principal, A.P.C. Mahalaxmi College for Women delivered the presidential address. The Valedictory function, chaired by Mr. K. Balathandayuthapani, CEO, Thoothukudi and Mr.M. Muniasamy, Assistant District Project Coordinator and Mrs. N. Persiyal Gnanamani, Assistant Project Officer were the special invitees. The entire team of A.P.C. Mahalaxmi College for Women involved in the activity have also attended the function. In his concluding remarks, Mr. K. Balathandayuthapani, CEO, Thoothukudi impressed upon the importance of the applications of the concepts and strategies learnt from the programme participants in classroom situations. He further expressed his willingness to extend every kind of support and urged the teachers to have a very free interaction with the resource persons of the training programme for all sorts of relevant issues.

During the Valedictory Session, a book "Basic Science" releasing ceremony was held to grace all the resource persons who contributed the chapters and as a mark of their gratitude for participating in this In-Service Training. Dr. P. Bala Shanmuga Devi, Principal, A.P.C. Mahalaxmi College for Women released the first copy and Mr. K. Balathandayuthapani, CEO, Thoothukudi received the book. Mrs.Puthumai Rajathi, B.T.Assistant, Government Higher Secondary School, Kalugumalai, Mr.Chandramani, B.T.Assistant, Government Girls Higher Secondary School, Thangammalpuram and Mr.Kannan, B.T.Assistant, Government Girls Higher Secondary School, Kovilpatti presented their valuable feedback highlighting the way of planning and organisation of the Co-ordinator and the professional knowledge of resource persons and the

hospitality rendered to them. A Book release ceremony, awarding of Certificates, reflections on the program by every participant, an overall view of the program and vote of thanks by Dr.V.Sornalakshmi, Assistant Professor of Botany were the highlights of the Valedictory function. The participants have gained substantial amount of knowledge in terms of (i) the factors that affect the validation of science syllabus; (ii) importance of the enhancement of inquisitiveness among the students; (iii) responsibility of a teacher as a facilitator to explore all the possibilities to enhance learning rather making a child to cram the final answers; and (iv) attainment of some new skills and information that could be exercised in the effective teaching-learning process. The organisation of this programme has all been possible due to the collective efforts of the PG and Research Department of Chemistry and the entire team of training programme and most importantly with the generous funding by Tamilnadu State Council for Science and Technology.
