- University results
- Internal marks discussion,
- About NTPEL courses
- Limitation in the facebook and Twitter etc.,

### PTA -MEETING

✚ The idea for community service was discussed on 09.08.2019 in Minutes Meeting by the department members. So the Department of Zoology in association with DCW Ltd Sahupuram adopted Sillanatham Village, near Ottapidaram to do Community Service. As per MoE with DCW Ltd Sahupuram, Rs. 4000/- were received in addition with our college equal share to carry the program effectively.

➤ The main objective of the program is to completely eradicate and uprooted the shrub vegetation *Prosopis juliflora*, which is present enormously on the inlets and outlets of a pond about 5 kilometers distance in Sillanatham Village to store water. Scientifically, this plant is such that no other species can coexist with it and already caused drying p of

several water bodies in our state. It cannot even shelter birds as it produces less oxygen and more carbondioxide. If it does not have sufficient water it begins absorbing ground water ad if there is o ground water it starts absorbing humidity from surroundings. Also it turns the ground water poisonous ad have the tendency to grow back fast if it is cut.

- Madam Dr.T.Sakthika, Dr. Dr.V.Sornalakshmi and Dr.V.Jeyanthikumari along with 25 students of NSS and NCC were visited there and the inlets and outlets of a pond about 5 kilometers distance was cleaned with the help of JCP in Sillanatham Village to store water from the Department of Zoology Staff in charge

### **COMMUNITY SERVICE IN SILLANATHAM VILLAGE**

- ✚ Alumni meet was conducted on 15-08-2019. The decision for the alumni meet was taken in Minutes meeting on 14.08.2019. Staff Incharge for that program is Mrs.M.Muthukani, and Ms.M.Vijayalakshmi. They guided their juniors by the experience of them and shared the job opportunities in their working concern. Also enjoyed with their junior and senior friends by Cultural events conducted by the current students. To entertain them and few competitions were conducted ad the winners were appreciated with small

gifts by the Head of the Department. Alumni fond was also collected from them.

### **Alumni meet**
