 Coimbatore

Research Project

- Project means detailed study of a topic or issue of interest in a systematic manner.
- If you have projects in your PG programmes, then you have to think about the project in your own field.
- With the project decide your career - not necessarily - increase the chances of getting research opportunities.
- Start your own business and commercial applications with help of faculty by working as your research project.

Certificate of Appreciation

Dear Dr. S. Joseph Christian Daniel, Head & Associate Professor, Department of Microbiology, St. Joseph's College of Arts and Science, Coimbatore

Greetings from A.P.C. Mahalaxmi College for Women, Thoothukudi. Thank you for the inspiring presentation you gave us on **04.02.2021**. Your enthusiasm in presenting your ideas of **"Starting your Research"** to the participants was contagious. We, along with the participants are grateful to you for the awesome and memorable session. We wish to be associated with you in all our future endeavours too.
